

**COVID-19**

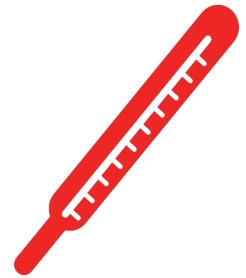

**EXPECTATIONS**

## Visitor Expectations while at Allison Trans- mission

All visitors must have a visit confirmation on file with Security Services and complete a medical questionnaire, prior to entry.

Individuals with potential exposure to a confirmed case, cough, severe trouble breathing, sore throat, gastrointestinal symptoms, loss of taste or smell, chills or shaking with chills, unexplained muscle pain or a fever of 100 or higher are not permitted to enter the building and should call 317-242-4218.

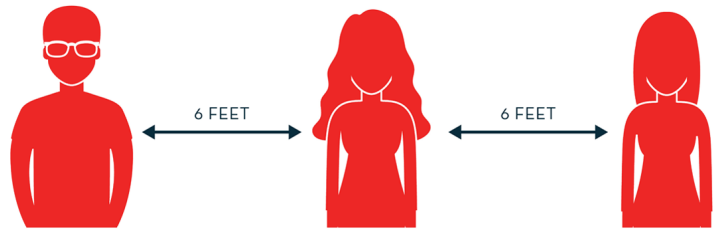

Maintain hand hygiene and wash your hands for 20 seconds. Hand sanitizer is available in every entry and common area. *Please do not shake hands.*

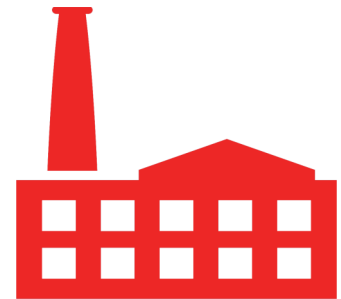

Remain 6-feet apart at all times.

Refrain from up-close and personal greetings, such as handshaking, fist bumps, and elbow taps.

Alternatives to handshaking: wave, thumps up, or a head nod.

All traffic to shop floor is limited to that which is business critical and time-sensitive.

All golf carts are limited to single individual use.

Face masks or coverings are required at all times.
