SERIAL NUMBERS AFFECTED: All

Introduction:

Effective December 2018, the Allison DOC® V2018.3 Subscription Service Update was made available as a “no charge” internet-download for all the Allison DOC® V2018.x Subscription Service users. This is a mandatory update and users have 30 days to download and accept this update to continue use of Allison DOC®. This new version incorporates important features and enhancements discussed below.

In order to upgrade the software, V2018.x must already be installed on the PC. Earlier versions of the service tool (e.g. V13.0.0, V14.0.0, etc.) cannot be upgraded to V2018.3, unless V2018.x (Note: V2018.1 is a download or USB thumb drive based upgrade) is first installed. The Allison DOC® product combines Allison DOC® Premium, Allison DOC® Premium (H 40/50 EP™) and Allison DOC® Fleets. There is one install media but a valid license is necessary to enable each product offering.

Specific enhancements included in V2018.3, as well as downloading and installation procedures, are the main topics addressed in this Service Information Letter (SIL). This SIL is not intended to replace or supersede SIL 11-TR-18 and 31-TR-18, but to complement it, as users transition to V2018.3. It is advisable to reference SIL 11-TR-18 and 31-TR-18, and the Allison Web Store (<https://allisonstore.noregon.com>) for details related to PC platform requirements, V2018.1 ordering information, and other pertinent information.

Summary of New Features and Enhancements Included in Allison DOC® V2018.3:

Updates specific to Allison DOC® Premium:

- Adds the Noregon DLA+ 2.0 adapter to SmartConnect
- Corrects Electronic Transmission Controller 2 (ETC2) display in Data Bus Viewer

Updates specific to Allison DOC® Premium (H 40/50 EP™):

- Adds support for H 40/50 EP™ MY19 changes
 - Adds SID 6H level recognition for MY19
 - Adds Acceleration Rate Management (ARM) feature
 - 'Custom' selection is graphed on the reprogramming dialog
 - Adds Deceleration (Regenerative Braking) feature

Download and Installation Procedures:

When Allison DOC® is launched after an update is released, the user will be notified of an updated version. The user will have 30 days to accept the mandatory update. After 30 days, the user must accept the update in order to continue use of the Allison DOC® tool.

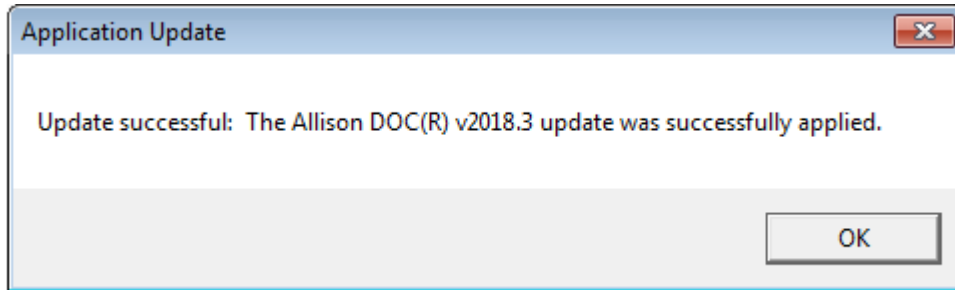

3648008

When the user chooses to accept the update, the WinZip Self-Extractor will run. Select Setup and accept the license agreement, then follow the Setup Wizard prompts to install.

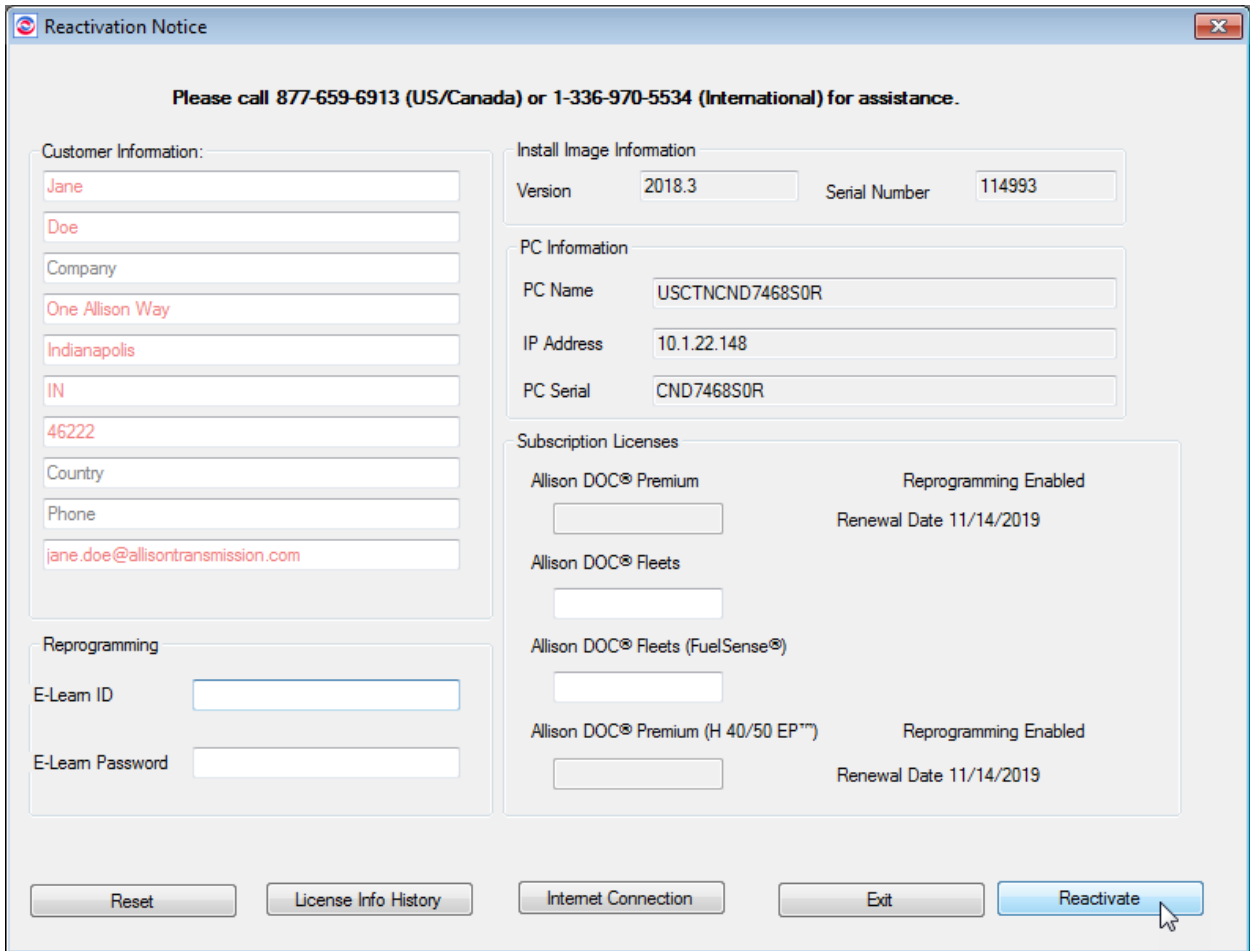

4424790

The user will receive a Success message when the update is complete and applied successfully.

4424880

Launch Allison DOC® and make any needed changes to Customer Information on the Reactivation Notice, then select the Reactivate button from the 'Reactivation Notice' dialog.

4430257

The user will receive a Success message.

4430347

There are two additional ways to download and install Allison DOC® V2018.3:

1. **Update Application feature** – From the Allison DOC® V2018.x main menu, select Software Configuration. Then, select the Update Application tab, click on **Check for update** button, and follow the instructions on the screen. Depending on the internet communication system, this process may take several minutes.
2. **Update URL** – From the software main menu, select Software Configuration. Then, select the Update Application tab, click on the displayed URL (i.e. <https://allison.noregon.com/userservices/subscriptionupdate.htm>). Once the Update website is displayed, click on **Download Update** for V2018.3, and select **Save** option. Select the Desktop from the “Save in:” pull-down menu, or any other easy-to-access location on the PC, and save the DOCUpdate1830.exe file. Once the file is successfully downloaded, close the Allison DOC® software, then double-click on the DOCUpdate1830.exe file and follow the instructions on the screen.
